

# smart #5 BRABUS

Power refined.  
Style redefined.

Transform the everyday into something exhilarating. The **smart #5 BRABUS** is designed for drivers who expect more – more presence, more power, and more precision. With exclusive BRABUS styling, high-performance drive modes, and a handcrafted interior featuring carbon fibre, fine leather, and signature details, it feels as personal as it is powerful. Packing 475 kW of electric force, all-wheel drive, and ultra-fast charging, it delivers instant response, extended range, and the kind of performance that puts emotion into every moment behind the wheel.

## BRABUS Styling and Signature Details

Inside and out, the BRABUS edition makes its mark. Carbon fiber accents, fine leather, subtle BRABUS badging, and signature rims come together in a design that turns heads without trying too hard.

## 475 kW Performance, AWD and BRABUS Drive Modes

Unleash 475 kW of electric power through all-wheel drive and performance-tuned BRABUS drive modes. Acceleration sharpens, control tightens, and every movement feels more deliberate.

## Ultra-Fast Charging and Extended Range

Charge from 10–80% in only 18 minutes with a cutting-edge 800-volt battery. And with a range of up to 335 miles, you get fast, flexible freedom – and the confidence to go further without looking back.

### Exterior

### Interior
