# EQE — Technology

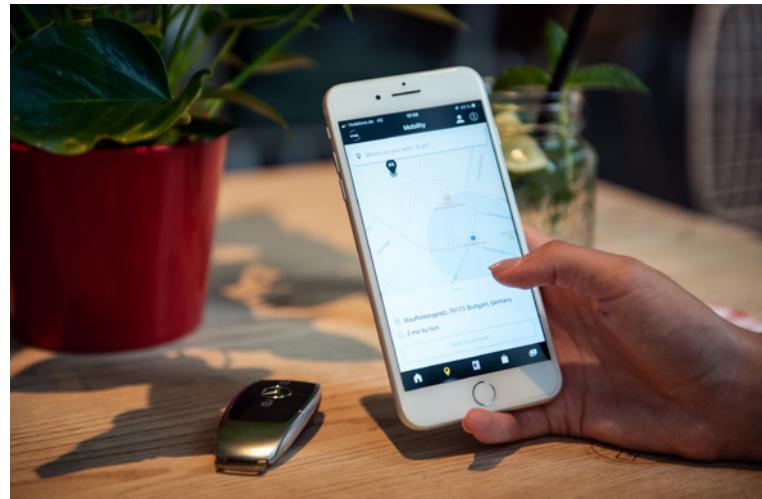

# Digital Extras

Stay connected any time, anywhere

Digital Extras are a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Digital Extras let you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

## Safety and Service - Digital Extras help to keep you and your car safe

Check your car's washer fluid level, tyre pressure and battery level from your phone so you'll be ready for every journey.

## Live Traffic Information, Parked Vehicle Locator and much more

Forgot where you've parked? Parked Vehicle Locator<sup>1</sup> will show you exactly where your car is as long as you're in a 1-mile radius of where you parked. Real-time traffic data and dynamic route with shorter journey times.

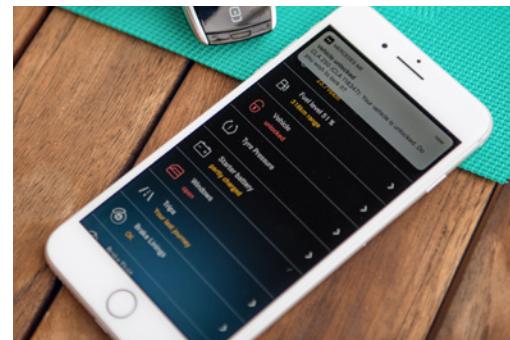

For more information speak to your local Mercedes-Benz Agent or visit the  
Mercedes-Benz store at [shop.mercedes-benz.com/en-gb/connect](http://shop.mercedes-benz.com/en-gb/connect)

## Comfort - connect to your car anytime, anywhere

Forgot to lock your car? With Remote Car Lock<sup>2</sup> you will receive a notification on your smartphone to let you know. With one tap, you can lock and unlock your vehicle so you never have to worry.

## Specific services for all-electric vehicles from Mercedes-Benz

Check your charging status on the go and programme your pre-entry climate control and charging settings remotely. The specific navigation services for all-electric vehicles from Mercedes-Benz consider electrical range, topography and charging stations.

The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers

<sup>1</sup>Available on all models with the Vehicle Monitoring package. This option may vary between standard and additional cost dependent on the model

<sup>2</sup>Part of the Vehicle Status package. This option may vary between standard and additional cost dependent on the model

Images shown are for illustration purposes only

[Book a test drive](#)[Find your EQE](#)[Find a Showroom](#)

# Mercedes-Benz User Experience (MBUX)

Transforming the in-car user experience, thanks to MBUX: Controlled via voice, touch or gesture (where fitted) input, the innovative infotainment system can over time even predict personal habits thanks to artificial intelligence.

## Voice control

- Activated by the keywords "Hey Mercedes", the new intelligent voice control LINGUATRONIC<sup>1</sup> lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say "I feel cold" and MBUX will adjust the temperature for you
- MBUX is able to understand which individual seat the request has come from, and will therefore only respond to their specific request (e.g. adjusting the temperature for just the front passenger)

## Personalisation

- Turn the EQE into your very own Mercedes-Benz by personalising driving modes, radio stations, ambient lighting and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

## Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the touch controls on the centre console, as well as touch control buttons on the steering wheel

## Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a charging station? Just ask your MBUX – it will tell you the answer

MBUX multimedia system

The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers

<sup>1</sup>LINGUATRONIC off-board functions are currently only available for three years

[Book a test drive](#)[Find your EQE](#)[Find a Showroom](#)

# DOLBY ATMOS

An immersive audio experience

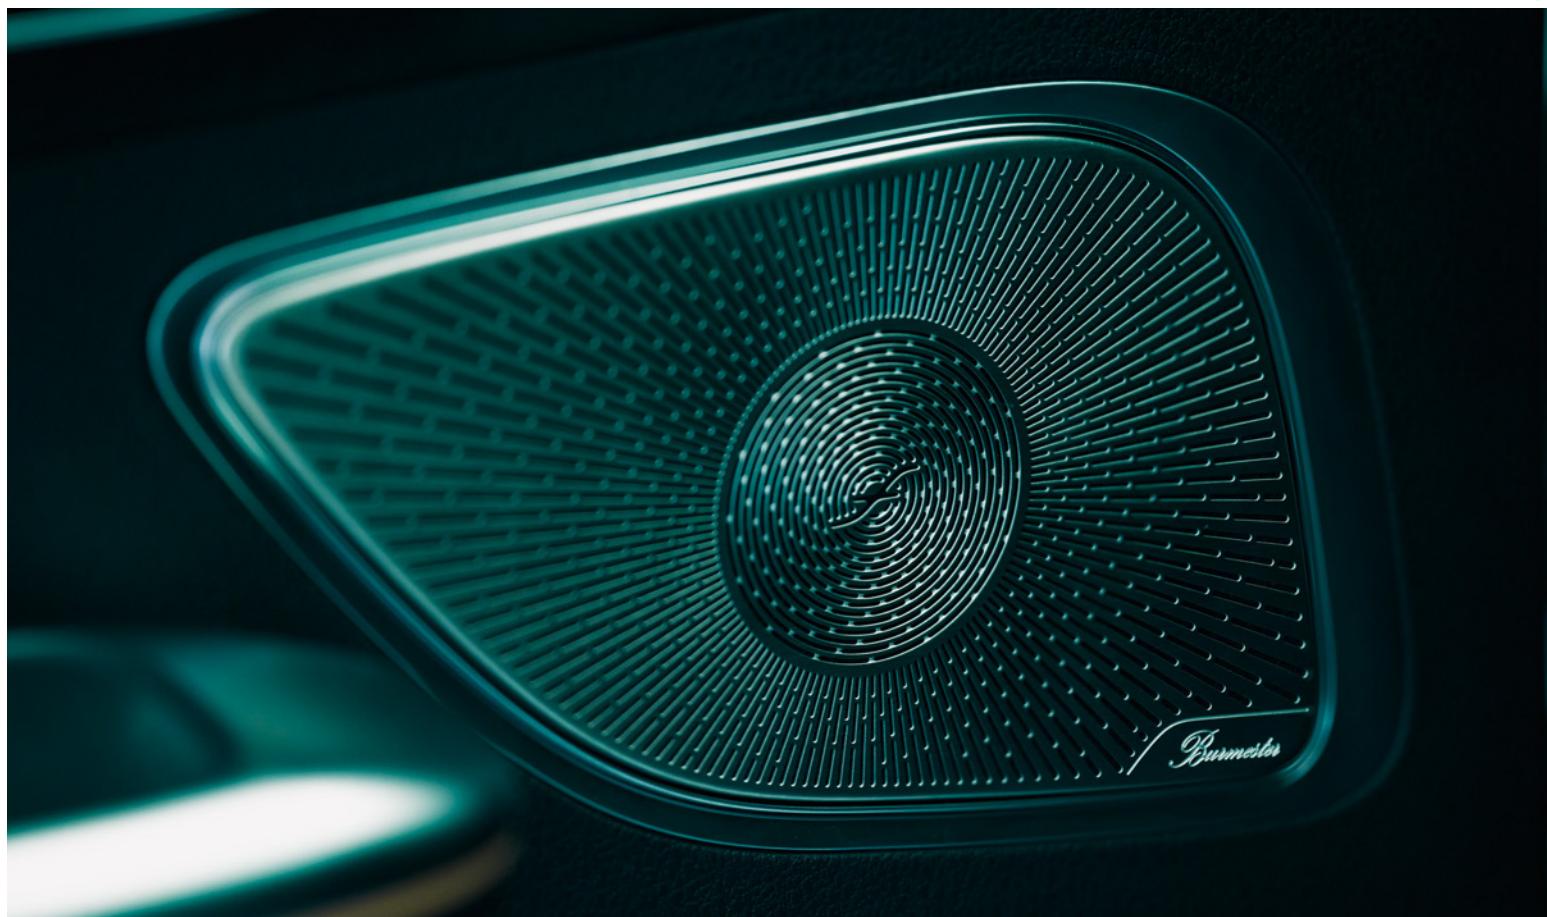

DOLBY ATMOS takes surround sound to the next level delivering a true spatial, 3D audio experience.

Designed to bring the same immersive, 360° sound you get from a movie theatre to your EQE by revealing more space, clarity and depth like never before.

In conjunction with Burmester® surround sound system, DOLBY ATMOS offers the highest level of in-car music enjoyment.

## Consisting of:

- 15 high-performance speakers tuned to match the vehicle interior and each with its own amplifier channel
- DSP amplifier with a total output of 710 watts (2×120 watts, 7×50 watts, 6×20 watts)
- 2 broadband speakers in the front area for 3D sound
- Frontbass technology with subwoofers integrated into the body shell
- Sound optimisation
- Equalizer function for setting the bass, midrange and treble frequencies

# EQE

Vehement power immediately from standstill: An electric motor at the rear axle converts electrical into mechanical energy, and delivers impressive forward thrust. The intelligent operating strategy of the powertrain components supplies the power always wherever it is needed at the moment – efficiently and nearly silently.

## EQE 350+

Battery electric vehicle, 320 hp/235 kW  
Electric range: 381–429 miles – WLTP

OTR from £69,365<sup>1</sup>

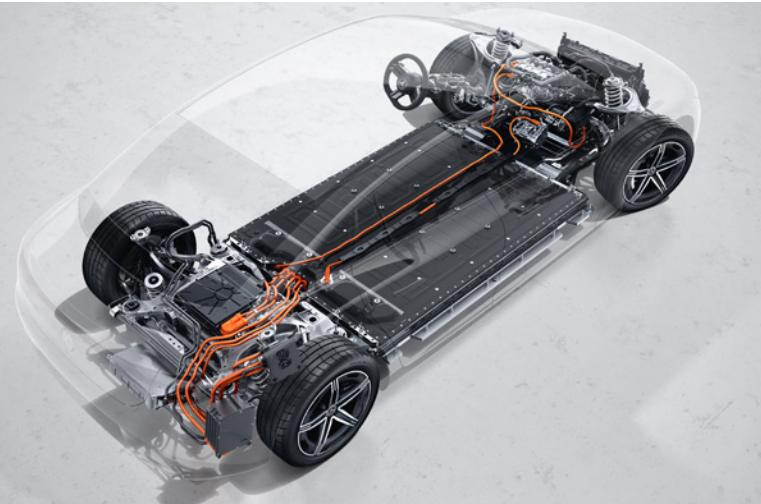

## EQE 500 4MATIC

Battery electric vehicle, 449 hp/330 kW  
Electric range: 342–385 miles – WLTP

OTR from £82,615<sup>1</sup>

## Mercedes-AMG EQE 53 4MATIC+

Battery electric vehicle, 625 hp/460 kW  
Electric range: 277–306 miles – WLTP

OTR from £105,995<sup>1</sup>

### Standard equipment

Charging cable for wallbox and public charging stations, Type 2 (Mode 3) – 7 metres

Charging socket

### Attention

Please be aware that external factors such as weather, gradient and ambient temperature amongst others can significantly impact range.

Please also note that internal factors such as driving style and climate control settings etc. can also significantly impact range.

Using the pre-entry climate control<sup>2</sup> when plugged into a charge point will ensure the perfect ambience and ensure that your car is just how you like it, as well as making sure that your battery isn't used unnecessarily to heat/cool the vehicle (maximising range).

<sup>1</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£780.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price. <sup>2</sup>The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers. <sup>3</sup>Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish range, power consumption and CO<sub>2</sub> figures can be found at <http://www.mercedes-benz.co.uk/WLTP>. <sup>4</sup>Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–80% charge using public rapid charging at 170 kW. <sup>5</sup>Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 0–100% charge using a wallbox (three-phase) or standard socket (single-phase). <sup>6</sup>Specified voltage and current values refer to network infrastructure and can be limited by the vehicle.

# MB.CHARGE Public<sup>1</sup> One registration, one contract, one billing

MB.CHARGE Public<sup>1</sup> provides access to a multitude of public charging stations located in shopping centres, hotels or at motorway services. A smartphone app as well as the vehicle's navigation system show the precise location, current availability and price at the selected charging station.

## MB.CHARGE Public – Private customer

### Tens of thousands charging stations in the UK

Growing network of charging providers includes bp pulse the largest charging network in the UK.

### Access to fast-charging stations

Enables customers to get access to charging stations of different providers with:

- Mercedes-Benz app
- RFID card
- Vehicle Head unit

### Green charging

All charging using MB.CHARGE Public,<sup>1</sup> will be retrospectively 'greened' by Mercedes-Benz.

### Transparent and easy billing

One invoice charging processes for payment.

### Easy access

Charging stations are displayed in Mercedes-Benz app and in MBUX multimedia system.

### No fees

Enjoy free access to MB.CHARGE Public's convenient, reliable, and user-friendly charging network.

## MB.CHARGE Public – Business customer

### Key features

- All MB.CHARGE Public Private customer features<sup>2</sup>
- Charging fleet portal

<sup>1</sup>The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers

<sup>2</sup>Excluding MB.CHARGE Public Private customer tariffs

# MB.CHARGE Public<sup>1</sup>

## Private customer tariffs<sup>2</sup>

Charge smarter with our Preferred Partner Network and access exclusive savings with lower rates on Tariff L and M compared to standard tariffs. Owners of a new all-electric model will be entitled to the MB.CHARGE Public<sup>1</sup> tariff L free of charge for the duration of 3 months.<sup>2</sup>

### Tariff L<sup>2,3</sup>

Recommended for 'frequent drivers'

Owners of a new all-electric model are entitled to the tariff L free of charge for 3 months, benefitting from the best exclusive savings of our tariffs as well as all MB.CHARGE Public<sup>1</sup> features. This tariff is recommended for frequent and long-distance drivers.

Consisting of:

- All MB.CHARGE Public<sup>1</sup> features
- Fixed prices per kWh
  - IONITY: £0.55/kWh
  - bp pulse and Smart Charge: £0.59/kWh + £0.17/min after 90 mins
- 15% discount across the rest of the MB.CHARGE Network

**Free of charge for the duration of 3 months.<sup>2</sup>**

**Thereafter:**

**£9.90/month**

### Tariff M<sup>2,3</sup>

Recommended for 'regular drivers'

Should you wish to downgrade your tariff package after 3 months, tariff M offers discounted pricing across our Preferred Partner Network, recommended for regular drivers.

Consisting of:

- All MB.CHARGE Public<sup>1</sup> features
- Fixed prices per kWh
  - IONITY: £0.62/kWh
  - bp pulse and Smart Charge: £0.69/kWh + £0.17/min after 90 mins
- 10% discount across the rest of the MB.CHARGE Network

**£4.90/month**

### Tariff S<sup>2</sup>

Recommended for 'casual drivers'

Should you wish to downgrade your tariff package after 3 months, tariff S offers all MB.CHARGE Public<sup>1</sup> features with flexible pay-per-use pricing across the entire network. This tariff is recommended for casual drivers.

Consisting of:

- All MB.CHARGE Public<sup>1</sup> features
- Flexible prices per kWh depending on provider

**£0/month**

<sup>1</sup>The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers. Register from 1st December 2025 to qualify. Price information is not guaranteed and is subject to change. Please be aware that this tariff will automatically renew after the 3 month promotion period.

<sup>2</sup>This offer is exclusively for consumers. The distinction between consumer and business is determined by the type of vehicle linkage (private profile or company profile). <sup>3</sup>Customers must register from 1st December 2025 to qualify. Price information is not guaranteed and is subject to change. Please be aware that this tariff will automatically renew after the 3 month promotion period - for definitive pricing information or should you not wish to continue with the tariff, your cancellation rights and current pricing can be found <https://eu.charge.mercedes-benz.com/web/en/mb-gb/tariffs>

# Next generation of home EV charging with Ohme

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing an Ohme charger.

## Home charging with Ohme: from £925\* incl. VAT and standard installation

### Key benefits of Ohme:

Ohme specialise in providing future-proof electric vehicle charging solutions, in particular smart, affordable and easy-to-use charging products.

Save money: If you have a time-of-use tariff or a variable tariff, you'll pay less for your electricity at certain times of the day. Ohme uses your tariff information to charge your vehicle when the price is low to maximise your savings.

Ohme is the only EV charging provider to integrate with all energy tariffs, including Intelligent Octopus and OVO Charge Anytime – the next generation, smart EV charging tariffs.

Easy installation process.

Choice of tethered or untethered units.

Award-winning customer service – check Trustpilot for more information.

A 3-year warranty is included.

Connect your charger to the Ohme smartphone app to unlock smarter and cheaper charging at home. Easy-to-use, the Ohme app will give you full control to get more from your EV.

Ohme's chargers are compliant with the UK New Smart Charger Regulations for complete peace of mind.

### OZEV Grant:

You may be entitled to claim an OZEV grant towards the cost of your home charger.<sup>1</sup> To check your eligibility, simply contact your local Mercedes-Benz Agent.

### Questions?

Need help with home charging solutions? Simply contact your nearest Mercedes-Benz Agent – they'll be happy to submit an enquiry to your preferred charging partner on your behalf.

### Warning!

If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

\*Price excludes £350 OZEV EVHS Grant. Price correct at time of publication, subject to change

<sup>1</sup>The home charger £350 Grant (including VAT) is only available to customers who meet the criteria of the Office for Zero Emission Vehicles (OZEV). Full details and eligibility criteria for the OZEV EVHS Grant can be found [here](#)

# Home charging with Pod

Simple, convenient, fast charging

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing a Pod Point home charger.

## Home charging with Pod from £899\* inc. VAT and standard installation<sup>1</sup> or £0 Pod Drive sign-up fee

### Pod Drive

Pod Drive is a new all-inclusive subscription service to spread the cost of installing a homecharger. £0 sign-up fee for Mercedes-Benz customers (usually £99) and £40 a month for 3 years. The service includes additional benefits such as 7,500 miles a year in cashback and enhanced warranty cover.

### Warning!

If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

### Key benefits of Pod:

Pod is one of the leading provider of EV charging in the UK with over 250,000 home chargepoints installed.

Auto Power Balancing lets you adjust your charge so that your electrical supply doesn't get overloaded when your home is using a lot of energy.

Built-in earthing protection removes the needs for expensive earth rods.

Buy a Pod Point for a discounted cost of £899 for an untethered and £949 for a tethered. Or, sign up for Pod Drive with a £0 sign-up fee.

The Pod public network consists of over 9,200 charging bays across the UK.

5 year warranty as standard, free of charge.

The standard installation package includes up 15 m of external cabling.

### OZEV Grant:

You may be entitled to claim an OZEV grant towards the cost of your home charger.<sup>2</sup> To check your eligibility, simply contact your local Mercedes-Benz Agent.

### Questions?

Need help with home charging solutions? Simply contact your nearest Mercedes-Benz Agent – they'll be happy to submit an enquiry to your preferred charging partner on your behalf.

<sup>1</sup>Price excludes £350 OZEV EVHS Grant. Price correct at time of publication, subject to change. <sup>2</sup>Full terms and conditions of home charging with Pod can be found [here](#)

<sup>2</sup>The home charger £350 Grant (including VAT) is only available to customers who meet the criteria of the Office for Zero Emission Vehicles (OZEV). Full details and eligibility criteria for the OZEV EVHS Grant can be found [here](#)

# DIGITAL LIGHT

High-definition headlamps with innovative features

The new innovative DIGITAL LIGHT headlamps work like a projector with more than one million pixels per headlamp and responds with brilliant light to changing traffic, road or weather conditions. Its ULTRA RANGE Highbeam with 650 m makes you feel like driving at daylight.

**Standard on AMG Line Night Edition Premium, AMG Line Night Edition Premium Plus and all Mercedes-AMG models**

[Book a test drive](#)[Find your EQE](#)[Find a Showroom](#)

# Driving Assistance package and Driving Assistance package Plus

Cares for what matters

The EQE comes with standard ground-breaking innovations in safety, comfort and driving functions, to help you stay safe on the road.

## Driving Assistance package<sup>1</sup> (code P79) – designed and priced as a package Standard on AMG Line Night Edition Premium

**Active Distance Assist DISTRONIC** responds to stationary road users to prevent collisions up to 80 mph (previously 37 mph)

**Active Lane Keeping Assist** with enhanced comfort thanks to active steering intervention (instead of braking intervention) and additional hazard indication

### Blind Spot Assist

Active Lane Keeping Assist

## Driving Assistance package Plus<sup>1</sup> (code P20) – designed and priced as a package Standard on AMG Line Night Edition Premium Plus and all Mercedes-AMG models

**Active Blind Spot Assist** expanded with blind spot monitoring towards the front and side. Additional hazard indication of the blind spot warning system as well as exit warning function

**Active Brake Assist with cross-traffic function** with turning manoeuvre function (responding to (among other things) crossing pedestrians when making a turn). Operating range on urban routes expanded to 74 mph (previously 44 mph)

**Active Distance Assist DISTRONIC** responds to stationary road users to prevent collisions up to 80 mph (previously 37 mph)

**Active Emergency Stop Assist** is able to assist in manual mode (previously on in DISTRONIC mode). Optional lane change by one lane (at 49 mph where no obstacles detected)

**Active Evasive Steering Assist** responds to cyclists and ends of tailbacks in addition to pedestrians. Operating range on urban routes expanded to 67 mph (previously 44 mph)

**Active Lane Keeping Assist** with enhanced comfort thanks to active steering intervention (instead of braking intervention) and additional hazard indication

**Active Speed Limit Assist** ensures detected speed limits are automatically adopted as the set speed for Active Distance Assist DISTRONIC

### Active Traffic Sign Assist

### Congestion emergency braking function

### Emergency corridor function

### Exit warning function when hand moves towards the door handles

### Extended automatic restart on motorways

### Hazard display via ambience lighting

Increased availability and cornering performance on carriageways with **Active Steering Assist**, more stern warnings to put hands on the steering wheel with new capacitive steering wheel

**PRE-SAFE® PLUS and Impulse Side with body-raising function:** when a rear-end collision threatens, PRE-SAFE® PLUS can initiate preventive measures, including warning following traffic and locking the brakes on standstill

**Route-based speed adjustment with end of traffic jam function and Active Stop-and-Go Assist** adaption of speed before curves, roundabouts and junctions with end of traffic jam function

Active Brake Assist

<sup>1</sup>Our driver assistance and safety systems are aids and do not relieve you of your responsibility as the driver. Please take note of the information in the Owner's Manual and the system limits which are described therein

<sup>1</sup>The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. Battery Electric Vehicles (BEV) require mains electricity for charging, range figures determined with the battery fully charged. <sup>2</sup>Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish range, power consumption and CO<sub>2</sub> figures can be found at <http://www.mercedes-benz.co.uk/WLTP> <sup>3</sup>A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 67 for the relevant rate for the second and subsequent years. <sup>4</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£730.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price

## Mercedes-AMG EQE 53 4MATIC+ Night Edition Premium Plus »

# Mercedes-AMG EQE 53 4MATIC+ Night Edition

No-cost option shown: graphite grey metallic (code 831)

## Electric mobility meets AMG heritage.

The Night Edition represents the perfect duality between luxury refinement and AMG high performance. Featuring a high specification as standard and striking exterior visuals there is no mistaking that this is a Mercedes-AMG. The high-performance dual motor set up provides 625hp and an equally impressive 3.5s 0-62 mph.

# Become the AMG expert

Unleash a new level of performance.

Step into the world of performance and experience the AMG brand at Mercedes-Benz World – from the powerful sound of the engines to the smell of the leather to the unmistakable design of our vehicles.

Mercedes-Benz World invites all Mercedes-AMG customers to a complimentary adrenaline-packed driving experience. Feel the sensational AMG driving performance, develop your driving skills and even try your hand at power-sliding on the Wet Skid Circle. With expert one-to-one guidance from a Driving Specialist in the passenger seat, experience every inch of our Handling Circuits, Dynamic Straight and low friction surfaces.

[Click here for more information](#)

#### TERMS AND CONDITIONS

The following customers only are eligible: The first purchaser/registered keeper of a newly registered Mercedes-AMG. The complimentary training must be booked and taken within 12 months of email receipt. The training is available Monday - Friday only (excluding bank holidays) and subject to availability. Upgrades are available for an additional cost, details upon request. Transferable to individuals who reside at the same postal address only. Mercedes-Benz UK Limited reserves the right to amend or withdraw this training experience. Attendees must hold a full UK driving licence. Attendees will be required to sign the Mercedes-Benz World Driving Risk Acknowledgement prior to undertaking the training experience.

The training experience is also subject to the Mercedes-Benz World Terms and Conditions, as applicable. Retailer demonstrator vehicles are not eligible.

## Services

Geofencing<sup>1</sup> – available to use free of charge for three years following activation<sup>2</sup>, denotes a specific area and notifies via push message when the vehicle leaves or enters this area

MB.CHARGE Public<sup>1</sup> – fully integrated access to a host of public charging stations. A single contract covers all billing. One-time registration and activation as part of Digital Extras.<sup>1</sup> Use via app, MBUX multimedia system or RFID card

Parked vehicle locator<sup>1</sup> – available to use free of charge for three years following activation<sup>2</sup>, shows the position of the parked vehicle in a radius of approx. 1.5 km

Personalisation<sup>1</sup> – available to use free of charge for three years following activation,<sup>2</sup> stores settings such as the radio station or navigation destination in the personal driver profile and enables these to be used in vehicles with the same telematics generation, the profile can be linked to the key, and the functions can therefore already be activated before getting in

Programming of auxiliary heater/ventilation<sup>1</sup>

Remote door locking and unlocking<sup>1</sup> – available to use free of charge for three years following activation,<sup>2</sup> provides convenient remote monitoring

Remote retrieval of vehicle status<sup>1,2</sup> – shows mileage, tyre pressure, washer fluid level, etc.

AMG Line Night Edition Premium  
AMG Line Night Edition Premium Plus  
AMG Line Edition  
AMG Line Sport Edition

Remote vehicle finder<sup>1</sup> – available to use free of charge for three years following activation<sup>2</sup> indicators activated via the app help to draw attention to the vehicle, for example in large, confusing car parks

Sliding sunroof/windows with remote closing and opening including ventilation function<sup>1</sup> to use free of charge for three years following activation<sup>2</sup> for a breath of fresh air in the vehicle available

Send2Car function<sup>1</sup> – available to use free of charge for three years following activation,<sup>2</sup> sends selected addresses via the app to the vehicle's navigation system, for example POIs or restaurants

Speedfencing<sup>1</sup>

Stolen Vehicle Help<sup>1</sup> (free of charge for 3 years from activation) – this service reduces the bureaucratic effort required and gives you an advantage in terms of time. In the event of theft, you can report it to the police. You can transfer the police file number (depending on country) plus the relevant vehicle and owner information quite simply via app to our certified partner's security centre. This centre will then coordinate with the local police station to track your vehicle

Valet protect<sup>1</sup> – available to use free of charge for 3 years following activation<sup>2</sup> notifies via the app when the ignition is switched on/off and when the vehicle moves outside a defined radius (1km, 2.5 km or 5 km)

Vehicle Tracking<sup>1</sup>

[Discover Accessories](#)[Book a test drive](#)[Find your EQE](#)[Find a Showroom](#)

# Genuine accessories

We've developed a range of accessories you can add to help personalise and enhance your EQE.

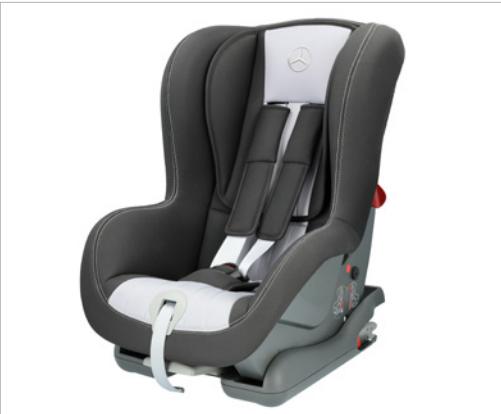

## Velour floor mats CLASSIC

Floor mats have to undergo rigorous testing before they are deemed worthy of the star logo: durability, fade-resistant colour and a neutral odour. The mats are precision-tailored to your Mercedes-Benz. (front and rear: A29568089039J74)

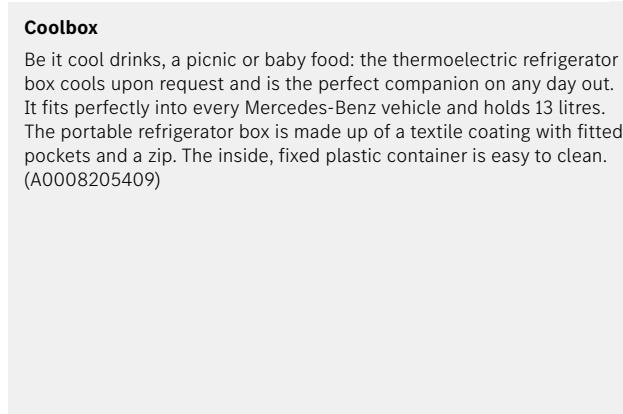

## Rear trim strip

High-sheen chromed rear trim strip. Coordinates with all chrome trim parts. (chrome: A29567570600)

## DUO plus child seat, with ISOFIX

Mercedes-Benz 'DUO PLUS', suitable for children between the ages of around 9 months to 4 years (9–18 kg). Featuring ISOFIX attachments to make securely fitting the child seat even easier. The TopTether also offers additional safety. The height-adjustable shoulder belt and three seat positions offer additional comfort. The cover with an exclusive design can be removed and washed. This has been tested to Mercedes-Benz requirements. (A0009704302)

## Coolbox

Be it cool drinks, a picnic or baby food: the thermoelectric refrigerator box cools upon request and is the perfect companion on any day out. It fits perfectly into every Mercedes-Benz vehicle and holds 13 litres. The portable refrigerator box is made up of a textile coating with fitted pockets and a zip. The inside, fixed plastic container is easy to clean. (A0008205409)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Authorised Repairer for more information

# Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO<sub>2</sub> emissions. A first year rate for each taxation band will apply. The table below shows the bands (A-M) created by the DVLA and the corresponding Road Fund Licence. CO<sub>2</sub> emissions and the relevant Excise Duty are shown on the model pricing page.

Road fund licence rates for tax year 2025/26, effective from 1 April 2025

Band	CO <sub>2</sub> emissions (g/km)	First year rate (£)	Standard rate (£)	Premium rate (£) <sup>1</sup>
A	0	10.00	195.00	620.00
B	1 to 50	110.00	195.00	620.00
C	51 to 75	130.00	195.00	620.00
D	76 to 90	270.00	195.00	620.00
E	91 to 100	350.00	195.00	620.00
F	101 to 110	390.00	195.00	620.00
G	111 to 130	440.00	195.00	620.00
H	131 to 150	540.00	195.00	620.00
I	151 to 170	1,360.00	195.00	620.00
J	171 to 190	2,190.00	195.00	620.00
K	191 to 225	3,300.00	195.00	620.00
L	226 to 255	4,680.00	195.00	620.00
M	over 255	5,490.00	195.00	620.00

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price.

<sup>1</sup>Premium rate only applicable to vehicles where the list price is over £40,000 including any factory-fitted options, standard UK delivery charge and VAT

# Services and insurance

## Mercedes-Benz Service Plans

We believe that servicing and repair costs should be as flexible and affordable as possible for your EQE, which is why we offer a choice of Service Plans to make it easy to budget for all your servicing, MOT and repair costs. It spreads your bills into manageable monthly payments based on whether you have a new or used Mercedes-Benz.

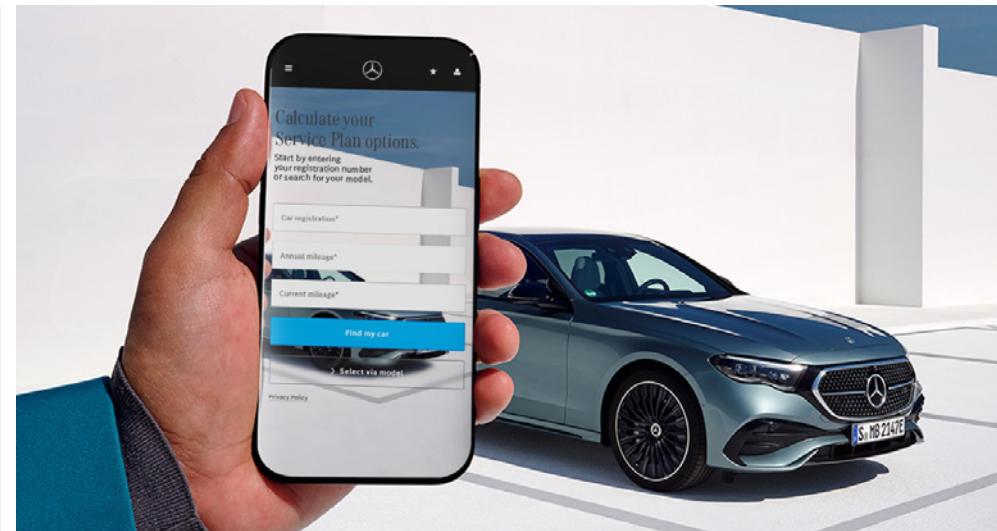

- **ServiceCare** – guarantees the price of parts and labour for up to four services and safeguards against any inflationary influences. It also covers your annual MOT fees depending on the age of your vehicle when you take your plan out.
- **CompleteCare** – our most comprehensive plan covering all your servicing, MOT, wear & tear needs as well as Extended Warranty once your vehicle turns four years old.
- **Extended Warranty** – protect yourself against sudden or unexpected repair costs after your initial warranty period has ended after three years. There are three policy options to choose from: 12-month, 24-month or a monthly pay-as-you-go option.

[Click here for more information](#)

## Motor Insurance

We know that once you have chosen your Mercedes-Benz you can't wait to drive it – that's why we created First Cover.<sup>1</sup> It gives you 5 days' free comprehensive Motor Insurance when you buy a new or used vehicle from a Mercedes-Benz Agent. We will also send you a quote for annual cover, so you can enjoy the same peace of mind all year round.

[Apply for First Cover](#)

## Battery Warranty

The battery is under warranty for either a maximum distance of 155,000 miles or up to ten years from the date of first registration, whichever comes first.

## Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects<sup>2</sup> and up to 30 years warranty against perforation due to corrosion from the inside out.<sup>3</sup> What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.<sup>3</sup>

<sup>1</sup>Terms and Conditions apply. We are an independent intermediary dealing with selected insurers in respect of annual insurance

<sup>2</sup>Applies to vehicles sold by Mercedes-Benz in the UK to its franchised Mercedes-Benz Agents
