# Mercedes-Benz User Experience (MBUX)

Transforming the in-car user experience, thanks to MBUX: Controlled via voice, touch or optional gesture input, the innovative infotainment system can over time even predict personal habits thanks to artificial intelligence.

## Voice control

- Activated by the keywords "Hey Mercedes", the new intelligent voice control LINGUATRONIC<sup>1</sup> lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say "I feel cold" and MBUX will adjust the temperature for you

## Touch inputs

- Beside voice control you can operate MBUX via touchscreen, as well as touch control buttons on the steering wheel

## Personalisation

- Turn the EQS into your very own Mercedes-Benz by personalising driving modes, radio stations, ambient lighting and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

## Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a charging station? Just ask your MBUX – it will tell you the answer

The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers

<sup>1</sup>LINGUATRONIC off-board functions are currently only available for three years

[Book a test drive](#)[Find your EQS SUV](#)[Find a Showroom](#)

# MBUX Hyperscreen

Introducing the MBUX Hyperscreen – an evolution in display technology that transforms the user interface. Bringing together a 12.3-inch LCD driver display, a 17.7-inch OLED central display with haptic feedback, and an additional 12.3-inch OLED front passenger display under a seamless glass cover, the MBUX Hyperscreen sets a new standard for seamless connectivity and sophistication.

**Standard on all model lines**

## Consisting of:

Driver display with 12.3-inch screen diagonal, LCD with LED matrix backlighting

OLED central display with 17.7-inch screen diagonal and haptic feedback

OLED front passenger display with 12.3-inch screen diagonal and haptic feedback

A continuous, seamless glass surface integrating all three displays

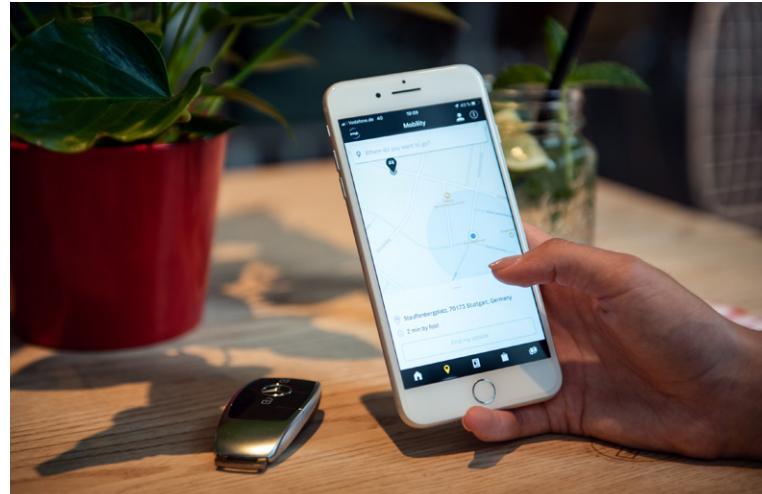

# Digital Extras

Stay connected any time, anywhere

Digital Extras are a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Digital Extras let you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

## Safety and Service - Digital Extras help to keep you and your car safe

Check your car's washer fluid level, tyre pressure and battery level from your phone so you'll be ready for every journey.

## Live Traffic Information, Parked Vehicle Locator and much more

Forgot where you've parked? Parked Vehicle Locator<sup>1</sup> will show you exactly where your car is as long as you're in a 1-mile radius of where you parked. Real-time traffic data and dynamic route with shorter journey times.

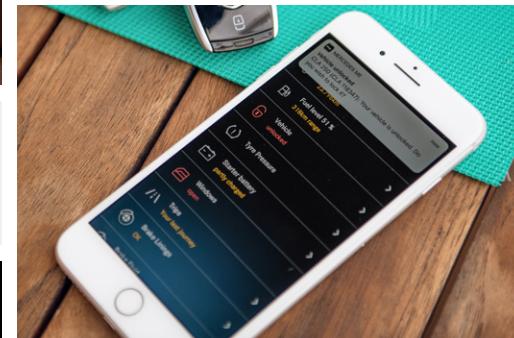

For more information speak to your local Mercedes-Benz Agent or visit the Mercedes-Benz store at [shop.mercedes-benz.com/en-gb/connect](http://shop.mercedes-benz.com/en-gb/connect)

## Comfort - connect to your car anytime, anywhere

Forgot to lock your car? With Remote Car Lock<sup>2</sup> you will receive a notification on your smartphone to let you know. With one tap, you can lock and unlock your vehicle so you never have to worry.

## Specific services for all-electric vehicles from Mercedes-Benz

Check your charging status on the go and programme your pre-entry climate control and charging settings remotely. The specific navigation services for all-electric vehicles from Mercedes-Benz consider electrical range, topography and charging stations.

The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers

<sup>1</sup>Available on all models with the Vehicle Monitoring package. This option may vary between standard and additional cost dependent on the model

<sup>2</sup>Part of the Vehicle Status package. This option may vary between standard and additional cost dependent on the model

# EQS SUV

Vehement power immediately from standstill: An electric motor at both the front and rear axle converts electrical into mechanical energy, and delivers impressive forward thrust. The intelligent operating strategy of the powertrain components supplies the power always wherever it is needed at the moment – efficiently and nearly silently.

## EQS 450 4MATIC SUV

Battery electric vehicle, 360 hp/265 kW  
Electric range 375–398 miles – WLTP

OTR from **£129,480<sup>1</sup>**

## EQS 580 4MATIC SUV

Battery electric vehicle, 544 hp/400 kW  
Electric range 375–398 miles – WLTP

OTR from **£139,480<sup>1</sup>**

### Standard equipment

AC charging system rated at 22 kW

AIRMATIC air suspension

Charging cable for wallbox and public charging stations,  
Type 2 (Mode 3) – 7 metres

Charging socket

DC charging system rated at 200 kW

Pre-entry climate control<sup>2</sup>

Radar-based recuperation

### Technical details

Electric range <sup>3</sup>	375–398 miles
-----------------------------	---------------

Charging time	
Public Rapid charger (200 kW DC) 10–80%	31 mins
Wallbox (22 kW AC) 0–100%	6 hrs 15 mins
Home wallbox (7.4 kW AC) 0–100%	18 hrs 30 mins

Energy consumption, combined <sup>3,6</sup>	212–225 Wh/km
---	---------------

Battery type (capacity)	lithium-ion (118.0 kWh)
-------------------------	-------------------------

Capacity on-board charger	22 kW AC; 200 kW DC
---------------------------	---------------------

### Attention

Please be aware that external factors such as weather, gradient and ambient temperature amongst others can significantly impact range.

Please also note that internal factors such as driving style and climate control settings etc. can also significantly impact range.

Using the pre-entry climate control<sup>2</sup> when plugged into a charge point will ensure the perfect ambience and ensure that your car is just how you like it, as well as making sure that your battery isn't used unnecessarily to heat/cool the vehicle (maximising range).

<sup>1</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£780.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price. <sup>2</sup>The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers. <sup>3</sup>Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish range, power consumption and CO<sub>2</sub> figures can be found at <http://www.mercedes-benz.co.uk/WLTP>. <sup>4</sup>Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–80% charge using public rapid charging at 200 kW. <sup>5</sup>Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 0–100% charge using a wallbox (three-phase) or standard socket (single-phase). <sup>6</sup>Specified voltage and current values refer to network infrastructure and can be limited by the vehicle.

# MB.CHARGE Public<sup>1</sup> One registration, one contract, one billing

MB.CHARGE Public<sup>1</sup> provides access to a multitude of public charging stations located in shopping centres, hotels or at motorway services. A smartphone app as well as the vehicle's navigation system show the precise location, current availability and price at the selected charging station.

## MB.CHARGE Public – Private customer

### Tens of thousands charging stations in the UK

Growing network of charging providers includes bp pulse the largest charging network in the UK.

### Access to fast-charging stations

Enables customers to get access to charging stations of different providers with:

- Mercedes-Benz app
- RFID card
- Vehicle Head unit

### Green charging

All charging using MB.CHARGE Public,<sup>1</sup> will be retrospectively 'greened' by Mercedes-Benz.

### Transparent and easy billing

One invoice charging processes for payment.

### Easy access

Charging stations are displayed in Mercedes-Benz app and in MBUX multimedia system.

### No fees

Enjoy free access to MB.CHARGE Public's convenient, reliable, and user-friendly charging network.

## MB.CHARGE Public – Business customer

### Key features

- All MB.CHARGE Public Private customer features<sup>2</sup>
- Charging fleet portal
- Company payment and billing
- Flexible prices per kWh

<sup>1</sup>The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers

<sup>2</sup>Excluding MB.CHARGE Public Private customer tariffs

[Book a test drive](#)

[Find your EQS SUV](#)

[Find a Showroom](#)

# MB.CHARGE Public<sup>1</sup> Private customer tariffs<sup>2</sup>

Charge smarter with our Preferred Partner Network and access exclusive savings with lower rates on Tariff L and M compared to standard tariffs. Owners of a new all-electric model will be entitled to the MB.CHARGE Public<sup>1</sup> tariff L free of charge for the duration of 3 months.<sup>2</sup>

## Tariff L<sup>2,3</sup>

Recommended for 'frequent drivers'

Owners of a new all-electric model are entitled to the tariff L free of charge for 3 months, benefitting from the best exclusive savings of our tariffs as well as all MB.CHARGE Public<sup>1</sup> features. This tariff is recommended for frequent and long-distance drivers.

Consisting of:

- All MB.CHARGE Public<sup>1</sup> features
- Fixed prices per kWh
  - IONITY: £0.55/kWh
  - bp pulse and Smart Charge: £0.59/kWh + £0.17/min after 90 mins
- 15% discount across the rest of the MB.CHARGE Network

**Free of charge for the duration of 3 months.<sup>2</sup>**

**Thereafter:**

**£9.90/month**

## Tariff M<sup>2,3</sup>

Recommended for 'regular drivers'

Should you wish to downgrade your tariff package after 3 months, tariff M offers discounted pricing across our Preferred Partner Network, recommended for regular drivers.

Consisting of:

- All MB.CHARGE Public<sup>1</sup> features
- Fixed prices per kWh
  - IONITY: £0.62/kWh
  - bp pulse and Smart Charge: £0.69/kWh + £0.17/min after 90 mins
- 10% discount across the rest of the MB.CHARGE Network

**£4.90/month**

## Tariff S<sup>2</sup>

Recommended for 'casual drivers'

Should you wish to downgrade your tariff package after 3 months, tariff S offers all MB.CHARGE Public<sup>1</sup> features with flexible pay-per-use pricing across the entire network. This tariff is recommended for casual drivers.

Consisting of:

- All MB.CHARGE Public<sup>1</sup> features
- Flexible prices per kWh depending on provider

**£0/month**

<sup>1</sup>The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers. Register from 1st December 2025 to qualify. Price information is not guaranteed and is subject to change. Please be aware that this tariff will automatically renew after the 3 month promotion period.

<sup>2</sup>This offer is exclusively for consumers. The distinction between consumer and business is determined by the type of vehicle linkage (private profile or company profile). <sup>3</sup>Customers must register from 1st December 2025 to qualify. Price information is not guaranteed and is subject to change. Please be aware that this tariff will automatically renew after the 3 month promotion period - for definitive pricing information or should you not wish to continue with the tariff, your cancellation rights and current pricing can be found <https://eu.charge.mercedes-benz.com/web/en/mb-gb/tariffs>

# Next generation of home EV charging with Ohme

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing an Ohme charger.

## Home charging with Ohme: from £925\* incl. VAT and standard installation

### Key benefits of Ohme:

Ohme specialise in providing future-proof electric vehicle charging solutions, in particular smart, affordable and easy-to-use charging products.

Save money: If you have a time-of-use tariff or a variable tariff, you'll pay less for your electricity at certain times of the day. Ohme uses your tariff information to charge your vehicle when the price is low to maximise your savings.

Ohme is the only EV charging provider to integrate with all energy tariffs, including Intelligent Octopus and OVO Charge Anytime – the next generation, smart EV charging tariffs.

Easy installation process.

Choice of tethered or untethered units.

Award-winning customer service – check Trustpilot for more information.

A 3-year warranty is included.

Connect your charger to the Ohme smartphone app to unlock smarter and cheaper charging at home. Easy-to-use, the Ohme app will give you full control to get more from your EV.

Ohme's chargers are compliant with the UK New Smart Charger Regulations for complete peace of mind.

### OZEV Grant:

You may be entitled to claim an OZEV grant towards the cost of your home charger.<sup>1</sup> To check your eligibility, simply contact your local Mercedes-Benz Agent.

### Questions?

Need help with home charging solutions? Simply contact your nearest Mercedes-Benz Agent – they'll be happy to submit an enquiry to your preferred charging partner on your behalf.

### Warning!

If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

\*Price excludes £350 OZEV EVHS Grant. Price correct at time of publication, subject to change.

<sup>1</sup>The home charger £350 Grant (including VAT) is only available to customers who meet the criteria of the Office for Zero Emission Vehicles (OZEV). Full details and eligibility criteria for the OZEV EVHS Grant can be found [here](#)

# Home charging with Pod

Simple, convenient, fast charging

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing a Pod Point home charger.

## Home charging with Pod from £899\* inc. VAT and standard installation<sup>1</sup> or £0 Pod Drive sign-up fee

### Pod Drive

Pod Drive is a new all-inclusive subscription service to spread the cost of installing a homecharger. £0 sign-up fee for Mercedes-Benz customers (usually £99) and £40 a month for 3 years. The service includes additional benefits such as 7,500 miles a year in cashback and enhanced warranty cover.

### Key benefits of Pod:

Pod is one of the leading provider of EV charging in the UK with over 250,000 home chargepoints installed.

Auto Power Balancing lets you adjust your charge so that your electrical supply doesn't get overloaded when your home is using a lot of energy.

Built-in earthing protection removes the needs for expensive earth rods.

Buy a Pod Point for a discounted cost of £899 for an untethered and £949 for a tethered. Or, sign up for Pod Drive with a £0 sign-up fee.

The Pod public network consists of over 9,200 charging bays across the UK.

5 year warranty as standard, free of charge.

The standard installation package includes up 15 m of external cabling.

### Warning!

If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

### OZEV Grant:

You may be entitled to claim an OZEV grant towards the cost of your home charger.<sup>2</sup> To check your eligibility, simply contact your local Mercedes-Benz Agent.

### Questions?

Need help with home charging solutions? Simply contact your nearest Mercedes-Benz Agent – they'll be happy to submit an enquiry to your preferred charging partner on your behalf.

<sup>\*</sup>Price excludes £350 OZEV EVHS Grant. Price correct at time of publication, subject to change

<sup>1</sup>Full terms and conditions of home charging with Pod can be found [here](#)

<sup>2</sup>The home

charger £350 Grant (including VAT) is only available to customers who meet the criteria of the Office for Zero Emission Vehicles (OZEV). Full details and eligibility criteria for the OZEV EVHS Grant can be found [here](#)

# Safety

[Book a test drive](#)[Find your EQS SUV](#)[Find a Showroom](#)

# Driving Assistance package Plus<sup>1</sup> Cares for what matters

Active Brake Assist

The EQS SUV comes with standard ground-breaking innovations in safety, comfort and driving functions, to help you stay safe on the road.

## Standard on all model lines

**Active Blind Spot Assist** expanded with blind spot monitoring towards the front and side. Additional hazard indication of the blind spot warning system as well as exit warning function

**Active Brake Assist with cross-traffic function** with turning manoeuvre function (responding to (among other things) crossing pedestrians when making a turn). Operating range on urban routes expanded to 74 mph (previously 44 mph)

**Active Distance Assist DISTRONIC** responds to stationary road users to prevent collisions up to 80 mph (previously 37 mph)

**Active Emergency Stop Assist** is able to assist in manual mode (previously on in DISTRONIC mode). Optional lane change by one lane (at 49 mph where no obstacles detected)

**Active Evasive Steering Assist** responds to cyclists and ends of tailbacks in addition to pedestrians. Operating range on urban routes expanded to 67 mph (previously 44 mph)

**Active Lane Keeping Assist** with enhanced comfort thanks to active steering intervention (instead of braking intervention) and additional hazard indication

**Active Speed Limit Assist** ensures detected speed limits are automatically adopted as the set speed for Active Distance Assist DISTRONIC

### Active Traffic Sign Assist

### Congestion emergency braking function

### Exit warning function when hand moves towards the door handles

### Extended automatic restart on motorways

### Hazard display via ambience lighting

Increased availability and cornering performance on carriageways with **Active Steering Assist**, more stern warnings to put hands on the steering wheel with new capacitive steering wheel

**PRE-SAFE® PLUS and Impulse Side with body-raising function:** when a rear-end collision threatens, PRE-SAFE® PLUS can initiate preventive measures, including warning following traffic and locking the brakes on standstill

**Route-based speed adjustment with end of traffic jam function and Active Stop-and-Go Assist** adaption of speed before curves, roundabouts and junctions with end of traffic jam function

<sup>1</sup>Our driver assistance and safety systems are aids and do not relieve you of your responsibility as the driver. Please take note of the information in the Owner's Manual and the system limits which are described therein

# Rear Luxury package

The Rear Luxury package elevates passenger comfort with rear seat climate control, adaptive lighting, and the MBUX rear tablet for seamless control of entertainment and settings. The MBUX Interior Assistant in the rear further enhances convenience, creating a first-class experience in the rear compartment.

**Rear Luxury package (code DRL)** – designed and priced as a package, including items as listed on the right-hand side.

Available on all model lines

Total incl. VAT £1,950.00

## Consisting of:

Adaptive rear compartment lighting – provides optimal illumination for a cosy atmosphere

MBUX Interior Assistant (rear) – enhances convenience and luxury in the rear compartment

MBUX rear tablet – allows passengers to effortlessly manage the vehicle's comfort functions and multimedia system

Rear seat climate control – ensures the perfect temperature for every ride

[Book a test drive](#)[Find your EQS SUV](#)[Find a Showroom](#)

# Extended Rear Luxury package

The Extended Rear Luxury Package builds on the Rear Luxury package with multicontour reclining seats, enhanced heating, and extra cushions for superior comfort. Added features like adjustable front passenger seating and extended seat depth ensure a first-class, relaxing journey.

**Extended Rear Luxury package (code DER)** – designed and priced as a package, including items as listed on the right-hand side.

**Available on all model lines**

**Total incl. VAT £4,500.00**

## Consisting of:

Adaptive rear compartment lighting – provides optimal illumination for a cosy atmosphere

Designer seat belt buckles (front and rear)

Electrically adjustable front passenger seat from the rear – provides additional legroom by moving the front-passenger seat to the chauffeur position

Headroom and shoulder heating (rear) – ensures a cosy journey

MBUX Interior Assistant (rear) – enhances convenience and luxury in the rear compartment

MBUX rear tablet – allows passengers to effortlessly manage the vehicle's comfort functions and multimedia system

Multicontour rear seats – reclining angle up to 37° for ultimate comfort

Rear seat climate control – ensures the perfect temperature for every ride

Seat cushion depth extension by 100 mm – extra support for long journeys

Seat Heating Plus in the rear – combine with neck and shoulder heating for pleasant warmth

Two additional cushions in the rear passenger compartment – extra comfort for rear passengers

## Battery and Charging

22 kW AC on-board charger

118 kWh battery

200 kW DC on-board charger

CCS-2 connector (DC charging with combined charging system, compatible with AC and DC)

Charging cable – Mode 3 cable (7 metres), Type 2, enables you to charge the vehicle battery via the wallbox or at public charging stations

Heat pump

Vehicle socket flap, electric

## Steering, Transmission and Suspension

AIRMATIC air suspension struts with integrated adaptive damping system at the front and rear axle – automatic level control system, depending on load: load detection for a constant suspension level.

Suspension level can be raised for rough roads and is automatically lowered at high speeds, MBUX can remember these actions and suggest them when arriving at the same location. At the touch of a button, you can also extend the ground clearance by up to 25 mm

DYNAMIC SELECT – five different drive programs: ECO, COMFORT, SPORT and OFF-ROAD drive programs with the ability to save an INDIVIDUAL program, touch-sensitive button for selecting the DYNAMIC SELECT drive programs in the control unit on the centre console. Four recuperation levels, activated via the steering wheel shift paddles D AUTO (intelligent recuperation, gliding or recuperation depending on the situation), D+ no recuperation, gliding D, weak recuperation (default setting) and D- (higher recuperation)

AMG Line Premium Plus  
Business Class

Steering – 10° rear axle steering

Steering wheel – heated

## Exterior

Acoustic Comfort package – for an extraordinarily calm vehicle interior: special glass membranes, reinforced felts and additional insulation effectively help to reduce disruptive exterior noise

Aluminium-look, illuminated running boards with rubber studs

AMG exterior styling

Headlamps – DIGITAL LIGHT

Heat-insulating, noise-insulating and infrared-reflecting laminated glass

Heated windscreen washer system

Mirror package – electrically folding exterior mirrors, automatically dimming interior and exterior driver mirror, surround lighting in both outside mirrors with brand logo projection to illuminate the entrance area

Panoramic sliding sunroof

Privacy glass – dark tinted rear and rear side windows

Radiator grille with Mercedes-Benz star pattern

Roof rails – polished aluminium

Surround lighting with animated projection of the Mercedes-Benz pattern, 2x

# Genuine accessories

We've developed a range of accessories you can add to help personalise and enhance your EQS SUV.

## Velour floor mats, classic

Our Mercedes-Benz floor mats have to undergo rigorous testing before they are deemed worthy of the star logo. Long durability, fade-resistant colour and a neutral odour, even after three winters of use, are all specifications which must be met without compromise. The mats are precision-tailored to your Mercedes-Benz. They are clip-fastened to the floor of the vehicle to prevent slipping.

(Five piece set: A29668001069J74)

(Three piece set: A29668099059J74)

## Reversible boot mat

Better safe than sorry: the double sided, non-slip mat from Mercedes-Benz helps keep the floor of the boot/load compartment clean and dry. 100% hardwearing polyester. And if anything does get spilt the reversible mat is easy to clean using warm water.

(Five-seater: A2966805405)

(Seven-seater: A2966809705)

## DUO plus child seat, with ISOFIX

Safe and secure: children between the ages of 9 months and 4 years (weight 9 to 18 kg) will enjoy travelling in the DUO plus child seat from Mercedes-Benz. The seat offers optimum protection in the event of an accident. A quick change of position: sitting, reclining and sleeping positions are adjustable with one simple manoeuvre.

(A0009704302)

## Boot tub

Made from impact-resistant, non-slip polypropylene. Structured surface holds separately available stowage crate in place. Vehicle's load-securing rings remain accessible.

# Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO<sub>2</sub> emissions. A first year rate for each taxation band will apply. The table below shows the bands (A-M) created by the DVLA and the corresponding Road Fund Licence. CO<sub>2</sub> emissions and the relevant Excise Duty are shown on the model pricing page.

Road fund licence rates for tax year 2025/26, effective from 1 April 2025

Band	CO <sub>2</sub> emissions (g/km)	First year rate (£)	Standard rate (£)	Premium rate (£) <sup>1</sup>
A	0	10.00	195.00	620.00
B	1 to 50	110.00	195.00	620.00
C	51 to 75	130.00	195.00	620.00
D	76 to 90	270.00	195.00	620.00
E	91 to 100	350.00	195.00	620.00
F	101 to 110	390.00	195.00	620.00
G	111 to 130	440.00	195.00	620.00
H	131 to 150	540.00	195.00	620.00
I	151 to 170	1,360.00	195.00	620.00
J	171 to 190	2,190.00	195.00	620.00
K	191 to 225	3,300.00	195.00	620.00
L	226 to 255	4,680.00	195.00	620.00
M	over 255	5,490.00	195.00	620.00

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price.

<sup>1</sup>Premium rate only applicable to vehicles where the list price is over £40,000 including any factory-fitted options, standard UK delivery charge and VAT

# Services and insurance

## Mercedes-Benz Service Plans

We believe that servicing and repair costs should be as flexible and affordable as possible for your EQS, which is why we offer a choice of Service Plans to make it easy to budget for all your servicing, MOT and repair costs. It spreads your bills into manageable monthly payments based on whether you have a new or used Mercedes-Benz.

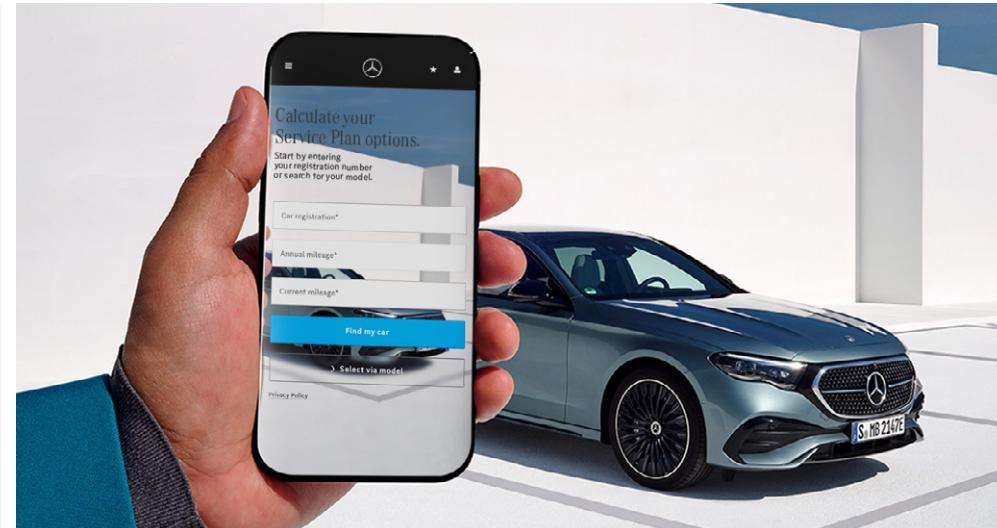

- **ServiceCare** – guarantees the price of parts and labour for up to four services and safeguards against any inflationary influences. It also covers your annual MOT fees depending on the age of your vehicle when you take your plan out.
- **CompleteCare** – our most comprehensive plan covering all your servicing, MOT, wear & tear needs as well as Extended Warranty once your vehicle turns four years old.
- **Extended Warranty** – protect yourself against sudden or unexpected repair costs after your initial warranty period has ended after three years. There are three policy options to choose from: 12-month, 24-month or a monthly pay-as-you-go option.

[Click here for more information](#)

## Motor Insurance

We know that once you have chosen your Mercedes-Benz you can't wait to drive it – that's why we created First Cover.<sup>1</sup> It gives you 5 days' free comprehensive Motor Insurance when you buy a new or used vehicle from a Mercedes-Benz Agent. We will also send you a quote for annual cover, so you can enjoy the same peace of mind all year round.

[Apply for First Cover](#)

## Battery Warranty

The battery is under warranty for either a maximum distance of 100,000 miles or up to eight years from the date of first registration, whichever comes first.

## Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects<sup>2</sup> and up to 30 years warranty against perforation due to corrosion from the inside out.<sup>3</sup> What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.<sup>3</sup>

<sup>1</sup>Terms and Conditions apply. We are an independent intermediary dealing with selected insurers in respect of annual insurance

<sup>2</sup>Applies to vehicles sold by Mercedes-Benz in the UK to its franchised Mercedes-Benz Agents

<sup>3</sup>Subject to full Terms and Conditions, dependent on date of registration, available upon request

Effective from January 2026 Production. Information correct at time of publication 14.10.2025.  
Prices and specifications are subject to change without prior notice.
