Find your CLA

Mercedes-Benz User Experience (MBUX)

Transforming the in-car user experience, thanks to MBUX: Controlled via voice or touch input, the innovative infotainment system can over time even predict personal habits thanks to artificial intelligence.

Voice control

- Activated by the keywords "Hey Mercedes", the new intelligent voice control LINGUATRONIC¹ lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say "I feel cold" and MBUX will adjust the temperature for you

Personalisation

- Turn the CLA into your very own Mercedes-Benz by personalising driving modes, radio stations and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

Touch inputs

 Beside voice control you can operate MBUX via touchscreen as well as touch control buttons on the steering wheel

Maintenance and service

 Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers

¹LINGUATRONIC off-board functions are currently only available for three years

Digital Extras Stay connected any time, anywhere

Digital Extras are a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Digital Extras let you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

Safety and Service - Digital Extras help to keep you and your car safe

Check your car's oil level, tyre pressure and fuel from your phone so you'll be ready for every journey.

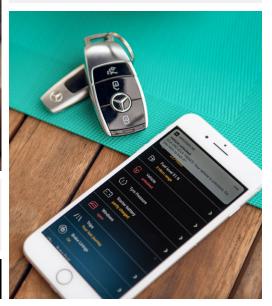

Live Traffic Information, Parked Vehicle Locator and much more

Forgot where you've parked? Parked Vehicle Locator1 will show you exactly where your car is as long as you're in a 1-mile radius of where you parked. Real-time traffic data and dynamic route with shorter journey times.

For more information speak to your local Mercedes-Benz Agent or visit the Mercedes-Benz store at shop.mercedes-benz.com/en-gb/connect

Comfort - connect to your car anytime, anywhere

Forgot to lock your car? With Remote Car Lock² you will receive a notification on your smartphone to let you know. With one tap, you can lock and unlock your vehicle so you never have to worry.

The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers 'Available on all models with the Vehicle Monitoring package. This option may vary between standard and additional cost dependent on the model

²Part of the Vehicle Status package. This option may vary between standard and additional cost dependent on the model

Additional information

Plug-in Hybrid Electric Vehicle (PHEV) The CLA 250 e

Plug-in hybrid vehicles enjoy the same functionality of full Hybrid technology, with the added benefit that they can be charged from an external electricity source.

CLA 250 e

Petrol - 1,332 cc, 4-cylinder, 163 hp/120 kW Electric motor - 109 hp/80 kW

Available as:

AMG Line Executive, AMG Line Premium and AMG Line Premium Plus

Coupé OTR from £45,7751 Shooting Brake OTR from £47,1501

1The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£730.00 incl. VAT), new vehicle registration fee (£55.00), fuel (£50.00 incl. VAT), and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price 2The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers

3The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Pluz-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged. using a combination of both battery power and fuel. These models require mains electricity for charging 4Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10-80% charge using a wallbox (three-phase) or standard socket (single-phase)

*Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 0-100% charge using a wallbox (three-phase) or standard socket (single-phase) 6The certified electrical consumption is generally determined at maximum AC charging capacity using a Mode 3 cable. It is therefore recommended that vehicles with a HV battery preferably be charged at a wallbox or an AC charging station with a Mode 3 cable in order to achieve shorter charging times and improved charging efficiency

Standard equipment						
Acoustic ambient protection	Charging system - rated at 11 kW AC					
Charging cable - Mode 2 cable (5 metres,	Charging system – rated at 22 kW DC					
straight) for domestic socket	Comfort suspension					
Charging cable – Mode 3 cable (5 metres,	Pre-entry climate control ²					
straight) for wallbox and public charging stations	Radar-based recuperation					
Charging socket	Remote and Charging Services Plus ²

$MB.CHARGE\ Public^1$ One registration, one contract, one billing

MB.CHARGE Public¹ provides access to a multitude of public charging stations located in shopping centres, hotels or at motorway services. A smartphone app as well as the vehicle's navigation system show the precise location, current availability and price at the selected charging station.

MB.CHARGE Public - Private customer

Tens of thousands charging stations in the UK

Growing network of charging providers includes bp pulse the largest charging network in the UK.

Access to fast-charging stations

Enables customers to get access to charging stations of different providers with:

- Mercedes-Benz app
- · RFID card
- · Vehicle Head unit

Green charging

All charging using MB.CHARGE Public, will be retrospectively 'greened' by Mercedes-Benz.

Transparent and easy billing

One invoice charging processes for payment.

Easy access

Charging stations are displayed in Mercedes-Benz app and in MBUX multimedia system.

No fees

Enjoy free access to MB.CHARGE Public's convenient, reliable, and user-friendly charging network.

MB.CHARGE Public - Business customer

Key features

- All MB.CHARGE Public Private customer features²
- Charging fleet portal

- · Company payment and billing
- · Flexible prices per kWh

1 The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers

²Excluding MB.CHARGE Public Private customer tariffs

Design Technology Plug-in Hybrid Model lines Upholstery Model prices Mercedes-AMG Mercedes-AMG Mercedes-AMG Personalisation Standard Genuine Technical data Additional upholstery prices equipment accessories information

MB.CHARGE Public¹ Private customer tariffs²

Charge smarter with our Preferred Partner Network and access exclusive savings with lower rates on Tariff L and M compared to standard tariffs.

Tariff L^{2,3}

Recommended for 'frequent drivers'

Choose our tariff L to benefit from the best exclusive savings of our tariffs as well as all MB.CHARGE Public1 features. This tariff is recommended for frequent and long-distance drivers.

Consisting of:

- All MB.CHARGE Public¹ features
- Fixed prices per kWh
 - IONITY: £0.55/kWh
 - bp pulse and Smart Charge: £0.59/kWh + £0.17/min after 90 mins
- 15% discount across the rest of the MB.CHARGE Network

Tariff M^{2,3}

Recommended for 'regular drivers'

Tariff M offers discounted pricing across our Preferred Partner Network, recommended for regular drivers.

Consisting of:

- All MB.CHARGE Public¹ features
- Fixed prices per kWh
 - IONITY: £0.62/kWh
 - bp pulse and Smart Charge: £0.69/kWh + £0.17/min after 90 mins
- 10% discount across the rest of the MB.CHARGE Network

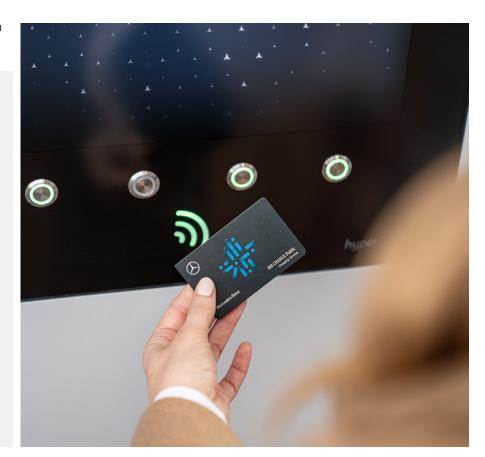

Tariff S²

Recommended for 'casual drivers'

Should you prefer flexibility, tariff S offers all MB.CHARGE Public¹ features with flexible pay-per-use pricing across the entire network. This tariff is recommended for casual drivers.

Consisting of:

- All MB.CHARGE Public¹ features
- · Flexible prices per kWh depending on provider

£9.90/month

£4.90/month

£0/month

The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers and availability of recommunication between consumer and business is determined by the type of vehicle linkage (private profile or company profile) Price information is not guaranteed and is subject to change. For definitive pricing information or should you not wish to continue with the tariff, your cancellation rights and current pricing can be found https://eu.charge.mercedes-benz.com/web/en/mb-gb/tariffs register from 1st December 2025 to qualify

Next generation of home EV charging with Ohme

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing an Ohme charger.

Home charging with Ohme: from £925* incl. VAT and standard installation

Key benefits of Ohme:

Ohme specialise in providing future-proof electric vehicle charging solutions, in particular smart, affordable and easyto-use charging products.

Save money: If you have a time-of-use tariff or a variable tariff, you'll pay less for your electricity at certain times of the day. Ohme uses your tariff information to charge your vehicle when the price is low to maximise your savings.

Ohme is the only EV charging provider to integrate with all energy tariffs, including Intelligent Octopus and OVO Charge Anytime - the next generation, smart EV charging tariffs.

Easy installation process.

Choice of tethered or untethered units.

Award-winning customer service check Trustpilot for more information. A 3-year warranty is included.

Connect your charger to the Ohme smartphone app to unlock smarter and cheaper charging at home. Easy-to-use, the Ohme app will give you full control to get more from your EV.

Ohme's chargers are compliant with the UK New Smart Charger Regulations for complete peace of mind.

OZEV Grant:

You may be entitled to claim an OZEV grant towards the cost of your home charger. To check your eligibility, simply contact your local Mercedes-Benz Agent.

Questions?

Need help with home charging solutions? Simply contact your nearest Mercedes-Benz Agent - they'll be happy to submit an enquiry to your preferred charging partner on your behalf.

Warning!

If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

*Price excludes £350 OZEV EVHS Grant. Price correct at time of publication, subject to change ¹The home charger £350 Grant (including VAT) is only available to customers who meet the criteria of the

Office for Zero Emission Vehicles (OZEV). Full details and eligibility criteria for the OZEV EVHS Grant can be found here

Technology Plug-in Hybrid Model lines Upholstery Model prices Mercedes-AMG Mercedes-AMG Mercedes-AMG Personalisation Standard Genuine Technical data Additional Design information upholstery equipment accessories prices

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing a Pod Point home charger.

Home charging with Pod from £899* inc. VAT and standard installation or £0 Pod Drive sign-up fee

Pod Drive

Pod Drive is a new all-inclusive subscription service to spread the cost of installing a homecharger. £0 sign-up fee for Mercedes-Benz customers (usually £99) and £40 a month for 3 years. The service includes additional benefits such as 7,500 miles a year in cashback and enhanced warranty cover.

Warning!

If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

Key benefits of Pod:

Pod is one of the leading provider of EV charging in the UK with over 250,000 home chargepoints installed.

Auto Power Balancing lets you adjust your charge so that your electrical supply doesn't get overloaded when your home is using a lot of energy.

Built-in earthing protection removes the needs for expensive earth rods.

Buy a Pod Point for a discounted cost of £899 for an untethered and £949 for a tethered. Or, sign up for Pod Drive with a £0 sign-up fee.

The Pod public network consists of over 9,200 charging bays across the UK.

5 year warranty as standard, free of charge.

The standard installation package includes up 15 m of external cabling.

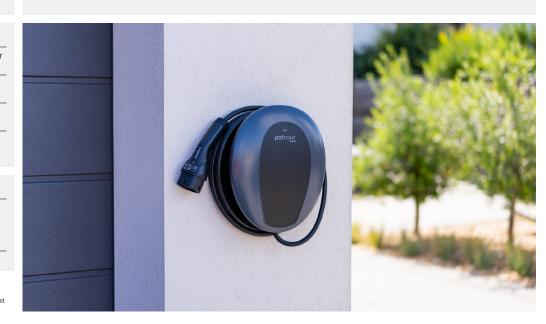

OZEV Grant:

You may be entitled to claim an OZEV grant towards the cost of your home charger.2 To check your eligibility, simply contact your local Mercedes-Benz Agent.

Questions?

Need help with home charging solutions? Simply contact your nearest Mercedes-Benz Agent - they'll be happy to submit an enquiry to your preferred charging partner on your behalf.

*Price excludes £350 OZEV EVHS Grant. Price correct at time of publication, subject to change 'Full terms and conditions of home charging with Pod can be found here charger £350 Grant (including VAT) is only available to customers who meet the criteria of the Office for Zero Emission Vehicles (OZEV). Unleash a new level of performance.

Step into the world of performance and experience the AMG brand at Mercedes-Benz World - from the powerful sound of the engines to the smell of the leather to the unmistakable design of our vehicles.

Mercedes-Benz World invites all Mercedes-AMG customers to a complimentary adrenaline-packed driving experience. Feel the sensational AMG driving performance, develop your driving skills and even try your hand at powersliding on the Wet Skid Circle. With expert one-to-one guidance from a Driving Specialist in the passenger seat, experience every inch of our Handling Circuits, Dynamic Straight and low friction surfaces.

> Click here for more information

The following customers only are eligible: The first purchaser/registered keeper of a newly registered Mercedes-AMG. The complimentary training must be booked and taken within 12 months of email receipt. The training is available Monday - Friday only (excluding bank holidays) and subject to availability. Upgrades are available for an additional cost, details upon request. Transferable to individuals who reside at the same postal address only. Mercedes-Benz UK Limited reserves the right to amend or withdraw this training experience. Attendees must hold a full UK driving licence. Attendees will be required to sign the Mercedes-Benz World Driving Risk Acknowledgement prior to undertaking

The training experience is also subject to the Mercedes-Benz World Terms and Conditions, as applicable. Retailer demonstrator vehicles are not eligible.

The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CQ, figures can be found at http://www.mercedes-benz.couk/WLTP 2A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Pelase refer to page 74 for the relevant rate for the second and subsequent years. The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£730.00 incl. VAT), new vehicle registration fee (£55.00), fuel (£50.00 incl. VAT), and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price

The Driving Assistance package¹ contains a range of highly intelligent features to help you stay safe on the road - by making the drive more effortless, by warning of danger, and by taking steps to protect you in an emergency.

Driving Assistance package (code P79) – designed and priced as a package, including items listed on the right-hand side.

Only in conjunction with AMG Line Premium Plus, Mercedes-AMG CLA 35 4MATIC Premium Plus and Mercedes-AMG CLA 45 S 4MATIC+ Plus

Total incl. VAT £1,495.00

Our driver assistance and safety systems are aids and do not relieve you of your responsibility as the driver. Please take note of the information in the Owner's Manual and the system limits

Active Blind Spot Assist can warn the driver of vehicles in the blind spot during a lane change

Active Braking Assist with cross-traffic function can help to avoid accidents with vehicles ahead, crossing traffic and also pedestrians, and/or mitigate their consequences

Active Distance Assist DISTRONIC helps maintain the desired distance from the vehicle in front

Active Emergency Stop Assist immediate emergency braking if evasion is impossible

Active Lane-Change Assist aids the driver with changing lanes by means of steering torque as soon as the driver initiates the change by activating the direction indicator

Active Speed Limit Assist ensures detected speed limits are automatically adopted as the set speed for Active Distance Assist DISTRONIC

Active Steering Assist targeted steering intervention to prevent unintentional drifting out of lane

Evasive Steering Assist can support the driver in making evasive manoeuvres if, in a dangerous situation, he/she moves to avoid any pedestrian detected by the system

PRE-SAFE® system makes use of the time prior to an impending accident on your behalf. A host of measures are able to reduce the loads generated as a result

Genuine accessories

We've developed a range of accessories you can add to help personalise and enhance your CLA.

All season floor mats

Floor mats have to undergo rigorous testing before they are deemed worthy of the star logo: durability, fade-resistant colour and a neutral odour.

The mats are precision-tailored to your Mercedes-Benz.

(front: A17768080029G33; rear: A17768085029G33)

Boot mat, reversible

This anti-slip mat by Mercedes-Benz protects the boot floor during loading and unloading. Made from 100% polyester. Double-sided: with rubberised, non-slip side and high-quality velour side. Prevents cargo from sliding around. Protects the load compartment floor from dirt and damp. (A1186840100)

Boot tub

Made from impact-resistant, non-slip polypropylene. Structured surface holds separately available stowage crate in place. Vehicle's load-securing rings remain accessible. (A1188140100)

Concertina load sill protector

The concertina load sill protector not only protects the boot, but also protects the bumper and boot sill from becoming scratched. (A2536931900)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Authorised Repairer for more information

Images shown are for illustration purposes only

Design Technology Plug-in Hybrid Model lines Upholstery Model prices Mercedes-AMG Mercedes-AMG Mercedes-AMG Personalisation Standard Genuine Technical data Additional prices information upholstery equipment accessories

Bicycle rack

Extremely lightweight bicycle rack, designed to allow you to attach a bicycle to the basic carrier bars. Please bear in mind your vehicle's permissible roof load. Bicycle racks are supplied singly. (A0008900293)

Basic carrier bars

Aluminium carrier bars, precision-tailored to the body of your Mercedes-Benz - the perfect basis for a range of Mercedes-Benz transport accessories. With integral tool for quick, easy fitting. Asymmetrical aerodynamic profile enhances ride comfort by significantly reducing wind noise. Crash-tested. Lockable. (Coupé: A1188900300; Shooting Brake: A1188900400)

Technology

Semi-automatic trailer coupling

Semi-automatic folding trailer coupling, specifically for Mercedes-Benz vehicles. High corrosion protection. (A1183101300)

Roof box

Mercedes-Benz roof box, impact-resistant, sturdy, durable, recyclable, sprayprotected. Opens on both sides. Single lock system with three locking mechanisms on each side. Gas filled struts for easy opening and closing of lid. Maximum load capacity of 75 kg. Unladen weight 16 kg. (A0008401100)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Authorised Repairer for more information

²Mass of the vehicle in running order with at least 90% full fuel tank, plus the mass of the driver (estimated by law at 75 kg), fuel and fluids, equipment as specified by the manufacturer as well as, where applicable, the mass of the body, cab, trailer coupling and spare wheel(s) as well as tools. Optional extras, additional equipment and accessories can influence the weight, residual payload, rolling resistance, aerodynamics, etc., and therefore also affect the consumption/CO, values "3All figures are based on a standard specification with the smallest tyre size 4The choice of wheels and transmission may affect CO₂ emissions and corresponding Road Fund Licence 5The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate for each taxation band will apply. The table below shows the bands (A-M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions and the relevant Excise Duty are shown on the model pricing pages.

Road fund licence rates for tax year 2025/26, effective from 1 April 2025

Band	CO ₂ emissions (g/km)	First year rate (£)	Standard rate (£)	Premium rate (£)¹
Α	0	10.00	195.00	620.00
В	1 to 50	110.00	195.00	620.00
С	51 to 75	130.00	195.00	620.00
D	76 to 90	270.00	195.00	620.00
E	91 to 100	350.00	195.00	620.00
F	101 to 110	390.00	195.00	620.00
G	111 to 130	440.00	195.00	620.00
Н	131 to 150	540.00	195.00	620.00
I	151 to 170	1,360.00	195.00	620.00
J	171 to 190	2,190.00	195.00	620.00
K	191 to 225	3,300.00	195.00	620.00
L	226 to 255	4,680.00	195.00	620.00
М	over 255	5,490.00	195.00	620.00

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price Premium rate only applicable to vehicles where the list price is over £40,000 including any factory-fitted options, standard UK delivery charge and VAT

Services and insurance

Mercedes-Benz Service Plans

We believe that servicing and repair costs should be as flexible and affordable as possible for your CLA, which is why we offer a choice of Service Plans to make it easy to budget for all your servicing, MOT and repair costs. It spreads your bills into manageable monthly payments based on whether you have a new or used Mercedes-Benz.

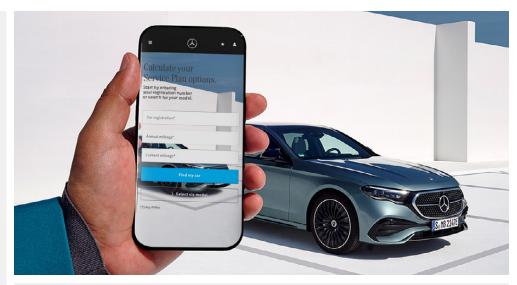

- ServiceCare guarantees the price of parts and labour for up to four services and safeguards against any inflationary influences. It also covers your annual MOT fees depending on the age of your vehicle when you take your plan out.
- CompleteCare our most comprehensive plan covering all your servicing, MOT, wear & tear needs as well as Extended Warranty once your vehicle turns four years old.
- Extended Warranty protect yourself against sudden or unexpected repair costs after your initial warranty period has ended after three years. There are three policy options to choose from: 12-month, 24-month or a monthly pay-as-you-go option.

Click here for more information

Motor Insurance

We know that once you have chosen your Mercedes-Benz you can't wait to drive it - that's why we created First Cover¹. It gives you 5 days' free comprehensive Motor Insurance when you buy a new or used vehicle from a Mercedes-Benz Agent. We will also send you a quote for annual cover, so you can enjoy the same peace of mind all year round.

> Apply for First Cover

Battery Warranty

The battery is under warranty for either a maximum distance of 62,000 miles or up to six years from the date of first registration, whichever comes first.

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects² and up to 30 years warranty against perforation due to corrosion from the inside out.3 What's more, it's also covered by Mercedes-Benz Roadside Assistance - a unique package comprising up to 30 years pan-European breakdown assistance.3

¹Terms and Conditions apply. We are an independent intermediary dealing with selected insurers in respect of annual insurance

²Applies to vehicles sold by Mercedes-Benz in the UK to its franchised Mercedes-Benz Agents

3Subject to full Terms and Conditions, dependent on date of registration, available upon request
