Driving Assistance Package Plus [P20]

£1,695

The Driving Assistance Package Plus contains a range of highly intelligent features to help you stay safe on the road – by making the drive more effortless, by warning of danger, and by taking steps to protect you in an emergency. The package consists of:

- Active Blind Spot Assist
- Active Braking Assist
- Active Distance Assist DISTRONIC
- Active Lane Change Assist
- Active Speed Limit Assist
- Active Steering Assist
- Evasive Steering Assist
- PRE-SAFE® PLUS
- Route-based Speed Adaptation

Enjoy the benefits of partially automated driving. Assistance systems support you in the right situation, warn you if there is risk of a collision and intervene if necessary. The intelligently networked sensor system uses cameras, radar and ultrasound to register your vehicle's surroundings

Trailer Coupling with ESP® Trailer Stabilisation [550]

£695

With the Trailer Coupling with ESP® Trailer Stabilisation, you can hitch up trailers or caravans and also mount cycle racks. The trailer coupling is ready for use in no time at all and can be folded in again behind the rear bumper just as quickly when it is no longer needed. The package consists of:

- Tow Bar
- ESP® Trailer Stabilisation

Operating safety is the top priority: to fold out the trailer coupling, you must first unlock it via the control button in the boot. As soon as the button light goes out, the trailer coupling is correctly engaged and therefore is ready for use.

The ESP® trailer stabilisation is able to intervene automatically in critical situations when driving with a trailer. The associated sensor system detects the trailer independently as soon as the electric plug is connected to your vehicle.

The ESP® stabilisation functions are automatically active from a speed of 40mph. When undesired oscillating motions are detected, the Trailer Stability Assist actively dampens these with the aid of alternate brake actuation of each individual wheel. In most cases this is already sufficient to reduce dangerous oscillations.

Refinement Package [DRP]

£2,495

Elevating your driving experience to unprecedented levels, this innovative Refinement Package seamlessly merges cutting-edge suspension technology with precision rear-axle control. Glide effortlessly over any terrain while enjoying enhanced stability and agility around every bend. The package consists of:

- AIRMATIC Air Suspension
- Rear Axle Steering (up to 4.5°)

Benefits the driver with particularly agile or confident handling, depending on speed, and a smaller turning circle – particularly useful for tight parking manoeuvres.

Aluminium Look Running Boards with Rubber Studs [846]

£1,000

The aluminium-look running boards are mounted at the side at the height of the side skirts and facilitate access at the front and in the rear. They feature a sporty “shaped” design and enhance the SUV character of your vehicle.

“Shaped” design: The running boards are narrower in the front and become wider towards the rear. This makes it easier to get in and out of the front of the vehicle as well as to conveniently load a roof box.

Anti-slip rubber studs: Rubber studs on the running board provide better footing when getting in and out.

Optional equipment may change your CO2 value. Please check your desired specification on the online configurator.

Pro Performance Package [DPP]

£7,500

Elevate your Mercedes-AMG GLC with the Pro Performance Package. Designed to enhance both style and dynamic comfort, it is the perfect blend of elevated design and enhanced driving precision. The package consists of:

- AMG DYNAMIC PLUS Package, including 'RACE' mode, 'DRIFT' mode, electronic rear-axle locking differential and dynamic engine mounts [2,5]
- AMG Performance Seat Package High-End - Performance multicontour seats with pronounced side bolsters, electric adjustment options and seat heating [3,8]
- AMG Performance Wheel in Carbon Fibre Design / MICROCUT Microfibre Steering Wheel [7]
- AMG Exterior Carbon Fibre Package I - front splitter in the AMG front apron, inserts in the AMG side sill panels and trim strip in the AMG rear apron in Carbon-Fibre [1]
- AMG Drivers Package - increasing top speed to 170mph [6]
- AMG High-Performance Composite Braking System with Red Painted Brake Callipers [4,9]

Optional equipment may change your CO₂ value. Please check your desired specification on the online configurator.

Classic Design Package [DCS]

No Cost Option

Elevate the character of your Mercedes-AMG GLC 53 with the Classic Design Package—crafted for drivers who appreciate timeless elegance and refined detailing. This package enhances the vehicle's exterior with sophisticated chrome accents, creating a bright, distinguished look that complements the dynamic AMG design.

Key elements finished in chrome include:

- Underride guard on the AMG front apron
- Beltline trim strip and window surrounds
- Trim strip in rear bumper
- Door handles
- Tailpipe trims

For SUV models, the roof rails are upgraded to a polished aluminium finish, enhancing the vehicle's elegant appearance.

Optional equipment may change your CO₂ value. Please check your desired specification on the online configurator.

¹The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. Battery Electric Vehicles (BEV) require mains electricity for charging, range figures determined with the battery fully charged. These models require mains electricity for charging. *Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP> ²A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. ³The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£780.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price

¹The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. Battery Electric Vehicles (BEV) require mains electricity for charging, range figures determined with the battery fully charged. These models require mains electricity for charging. ²Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP> ³A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. ⁴The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£780.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price

Safety and Assistance Systems							
Acoustic presence indicator (Plug-in Hybrid only) - when in all-electric mode, a sound generated up to 19mph to warn cyclists and pedestrians of your presence	✓	✓	✓	✓	-	-	-
Active bonnet - pedestrian safety measures which detects a collision and raises the bonnet to soften the impact	✓	✓	✓	✓	✓	✓	✓
Active Brake Assist - Distance and collision warning, offers situation appropriate braking assistance right up to autonomous emergency braking	✓	✓	✓	✓	✓	✓	✓
Active Lane Keeping Assist - Warning and active steering intervention in the event of unintentional lane departure	✓	✓	✓	✓	✓	✓	✓
Adaptive brake system with HOLD function and brake drying in the wet	✓	✓	✓	✓	✓	✓	✓
Anti-theft alarm system with immobiliser and interior protection	✓	✓	✓	✓	✓	✓	✓
ATTENTION ASSIST - Continuously analyses driver behaviour and steering movements. If patterns are recognised which characterise drowsiness, the driver is prompted to take a break and an audible warning is sounded	✓	✓	✓	✓	✓	✓	✓
Automatic child seat recognition sensor	✓	✓	✓	✓	✓	✓	✓
Automatic front passenger airbag deactivation	✓	✓	✓	✓	✓	✓	✓
Blind Spot Assist	✓	✓	✓	✓	✓	✓	✓
COLLISION PREVENTION ASSIST PLUS - the driver is given a visual warning if the distance from the vehicle in front is inadequate. Upon danger of collision there is an acoustic warning, driver braking can be assisted and, if the driver fails to react, the speed can be reduced autonomously	✓	✓	✓	✓	✓	✓	✓
Diesel Particulate Filter (DPF) - diesel models only	✓	✓	✓	✓	-	-	-
Petrol Particulate Filter (PPF) - petrol models only	✓	✓	✓	✓	✓	✓	✓
Dual-stage airbags - Driver and front passenger, driver kneebag and windowbags for driver, front and rear passengers	✓	✓	✓	✓	✓	✓	✓
Electric parking brake	✓	✓	✓	✓	✓	✓	✓
Electronic Stability Programme (ESP®) with Curve Dynamic Assist and Crosswind Assist - for greater driving safety and stability, in particular when accelerating on bends; counters understeer by one-sided braking action. Detects sudden, strong gusts of wind and helps the driver stay in lane by means of targetted braking	✓	✓	✓	✓	✓	✓	✓
Fluorescent jacket for driver	✓	✓	✓	✓	✓	✓	✓
GUARD 360° Vehicle Protection Plus	✓	✓	✓	✓	✓	✓	✓
Increased anti-theft protection	✓	✓	✓	✓	✓	✓	✓
ISOFIX child seat attachment points with top tether in rear (two outer seats)	✓	✓	✓	✓	✓	✓	✓
Mercedes-Benz Emergency Call System	✓	✓	✓	✓	✓	✓	✓
Active Park Assist with PARKTRONIC and Reversing Camera - Detects spaces and assists with steering, accelerating and braking when reversing into a parking space. The reversing camera displays the rear view and orientation lines on the central media screen	✓	✓	-	-	-	-	-
Active Park Assist with PARKTRONIC and 360° Camera - Detects spaces and assists with steering, accelerating and braking when reversing into a parking space. The 360° camera displays a virtual 3D bird's eye view and orientation lines on the central media screen	-	-	✓	✓	✓	✓	✓

TERMS AND CONDITIONS

The following customers only are eligible: The first purchaser/registered keeper of a newly registered Mercedes-AMG. The complimentary training must be booked and taken within 12 months of email receipt. The training is available Monday-Friday only (excluding bank holidays) and subject to availability. Upgrades are available for an additional cost, details upon request. Transferable to individuals who reside at the same postal address only. Mercedes-Benz UK Limited reserves the right to amend or withdraw this training experience. Attendees must hold a full UK driving licence. Attendees will be required to sign the Mercedes-Benz World Driving Risk Acknowledgement prior to undertaking the training experience.

The training experience is also subject to the Mercedes-Benz World Terms and Conditions, as applicable. Retailer demonstrator vehicles are not eligible.

Effective from June 2026 production. Information correct at time of publication 08.04.2026.
Prices and specifications are subject to change without prior notice.
