# WHAT IS COVERED?

**We** will cover the cost of repairs resulting from **damage** to **your alloy wheels**. Claims will be handled by the **administrator** and the repairs will be carried out by **our repairer**, who will aim to carry out the repair to **your** satisfaction. No repair will be identical to the original finish, and this insurance does not cover the cost of work to match the original finish. Please note that repairs can only be carried out within the **territorial limits**.

If the **damage** to **your alloy wheels** means that a lathe skim repair can be carried out, the **administrator** will arrange a lathe skim repair with a local approved **repairer** on **your** behalf and tell **you** they have done this. Or, if **you** prefer, **we** will pay up to £125 (including VAT) towards the cost of having **your alloy wheels** repaired at a local garage (**you** must provide a repair invoice if **you** choose this option). Each **alloy wheel** that is repaired will count as one claim.

If an **alloy wheel** is damaged beyond repair under the terms of this policy, **we** will pay up to £150 (including VAT) towards the cost of replacing it. **You** must provide a valid invoice for a replacement alloy wheel of the same quality and type.

The maximum number of claims **you** can make is as follows.

- Six claims if **you** have a one-year policy
- 12 claims if **you** have a two-year policy
- 18 claims if **you** have a three-year policy

# WHAT IS NOT COVERED?

**We** will not cover the following.

- Costs of matching the **repair** to the cosmetic finish of any other **alloy wheel** on **your vehicle**.
- General wear and tear, pitting, discolouration, tar staining, neglect or a fault which was not caused by **damage**.
- Cracked or buckled wheels.
- Damage that the **administrator** believes happened before the **start date**.
- Claims made more than 30 days after the **damage** happened.
- Any **damage** that the **administrator** believes has corroded due to **you** not reporting the claim within 30 days.
- **Alloy wheels** with a machine-polished (chrome) finish, or split, recessed, painted or raised rims. Plastic trims attached to **your alloy wheels** are also not covered and must be removed before any repair is carried out under this policy.
- Any repair which is carried out before the **administrator** has approved it.
- Any loss which is covered, and **you** have claimed for, under any other insurance.
- Any liability **you** have to any other person or organisation.
- Damage caused by any wilful or unlawful act or failure to act. This does not include malicious damage to **your alloy wheels**.
- Theft of **your alloy wheels**.
- Damage caused by driving **your vehicle** when it had a flat tyre.
- Damage caused by a replacement tyre being fitted to the **alloy wheel**.
- Repairs to **your alloy wheels** that are not carried out by **our** repairer.
- Any other costs that are indirectly caused by the event which led to **your** claim, unless we tell **you** in this policy document that these costs are covered.
- Any fraudulent, dishonest or false claim.
- Any loss that is caused by nuclear substances or activity.
- Any loss that is caused by war, civil commotion, labour disturbances, riot, strike, lockout, public disorder or terrorism.

This policy does not cover any loss or damage to **your vehicle** that is caused by an earthquake.

## PRESSURE WAVES

This policy does not cover any loss that is caused by pressure waves of an aircraft or other flying device travelling at or above the speed of sound.

## RADIOACTIVITY

This policy does not cover any loss caused by:

- ionising radiation or radioactive contamination from nuclear fuel or from burning nuclear fuel; or
- radioactive, poisonous, explosive or other dangerous properties of any explosive nuclear machinery or any part of it.

## RIOT

This policy does not cover any loss that is caused by riot or civil commotion if the loss or damage to **your alloy wheels** happens outside the **territorial limits**.

## SANCTION LIMIT AND EXCLUSION CLAUSE

**We** will not provide cover and will not pay any claim or provide any benefit under this insurance if doing so would put **us** at risk of a sanction, ban or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, the UK or the USA.

## WAR

This policy does not cover any loss caused by war, invasion (whether or not war is declared), revolution, military force, terrorism or other hostile events, unless **we** must provide cover under the road traffic acts.

# MAKING A CLAIM

When **you** become aware of a claim, **our** dedicated repair portal is the best way for **you** to register **your** repair request. Before doing this, please read the 'What is covered' and 'What is not covered' sections to check that the damage is covered by this policy.

- Visit <https://autotrust.viewmyaccount.com>.
- Follow the instructions to request **your** repair. (If **you** are not already registered for the portal, **you** will need **your vehicle's** registration number and the email address **you** used when setting up the policy.)

So that **we** can accurately assess **your repair** request, **you** will need to provide the following information.

- A. Details of the **damage to your alloy wheel (or wheels)**, when it happened and how the **damage** was caused.
- B. **Your** current vehicle mileage.
- C. Pictures of the wheel (one from around a metre away and a close-up picture of the **damage**).

If **you** have any problems registering for the portal or requesting a repair, please call the **administrator** on 0344 573 8129 within 30 days of the **damage** happening.

When the **administrator** has all the information they have asked **you** for, they will review **your** claim. If the claim is covered by the policy, the **administrator** will provisionally authorise **your** claim and instruct the **repairer** to contact **you** to arrange for the damage to be repaired. If, after inspecting the damage, the **repairer** decides that **your alloy wheel** cannot be repaired due to technical reasons, the **administrator** has the right to refuse **your** claim at this stage. Only the **administrator** can accept or refuse claims.

**You** must allow the **administrator** (or **our repairer**) to inspect the **vehicle** if they ask to.

Following a repair, **you** must check that all work has been completed properly. If **you** are not satisfied with the work, **you** must contact the **repairer** immediately.

**We** have the right to settle **your** claim by giving **you** a cash payment instead of arranging a repair.

If **our repairer** will be carrying out the **repair** as a mobile repair, they will need access to **your vehicle** in a safe location where they can move around it. If this isn't possible, please make the **repairer** aware of this when they contact **you** to arrange the repair.

## OUR RIGHT TO RECOVER COSTS

After paying any claim, **we** may, at **our** own expense, take over **your** rights to recover payment or relief from a third party responsible for the loss, up to the amount **we** have paid out under the policy.

# CANCELLATION AND COOLING-OFF PERIOD

If this policy does not meet **your** needs, **you** have 30 days from the date **you** received **your** policy documents to cancel the policy and receive a full refund. To cancel **your** policy within this 30-day period, please contact the supplier who sold **you your** policy.

If **you** want to cancel **your** policy after this 30-day period, **you** can cancel at any time and receive a refund for the period **you** have not received cover for. **You** will have to pay a cancellation fee of £20 if **you** cancel after the 30-day cooling-off period. To cancel **your** policy please contact the **administrator** by calling 0344 573 8129 or by writing to:

Car Care Plan Limited  
Jubilee House  
5 Mid Point Business Park  
Thornbury  
West Yorkshire  
BD3 7AG.

**We** will not give **you** a refund if **you** have already made a claim under **your** policy.

If **you** have paid for **your** policy in full or on a personal finance agreement (other than a Car Care Plan Limited instalment agreement) or personal contract-hire agreement, the **administrator** will give **you** a refund based on each full calendar month remaining on **your** policy. The refund will be a percentage of the original cost of **your** policy, less a cancellation fee of £20. The percentage refund will be calculated from the date the **administrator** receives **your** request to cancel.

If **you** have paid for **your** policy in instalments through an instalment agreement with Car Care Plan Limited, **we** will calculate any refund as a percentage of the original cost of **your** policy, based on each full calendar month remaining on it. If **you** have paid all the instalment payments due under the agreement, **we** will pay the refund direct to **you**. If **you** have not paid all the instalment payments, **we** will calculate the refund in the same way, and the following will apply.

- If the refund **you** are eligible for is more than the instalment payments **you** owe Car Care Plan Limited, **we** will pay the amount of the outstanding instalments to Car Care Plan Limited and pay the difference to **you**.
- If the refund **you** are eligible for is less than the instalment payments **you** owe Car Care Plan Limited, **we** will use the refund as part payment of **your** total outstanding instalment payments. **You** will continue to be responsible for paying the remaining outstanding payments due under **your** instalment agreement with Car Care Plan Limited until the balance (calculated at the time the **administrator** received **your** notice of cancellation) has been settled.

Please allow up to 28 days for the **administrator** to process **your** cancellation and refund.
