#### Plug & play iPad® Air Docking Station for rear compartment, kit.

The tilting and swivelling holder enables ideal positioning for young and older passengers alike in horizontal and vertical format. All operating elements of your device remain easily accessible. What's more, the holder and the screen film supplied increase crash safety. The film also protects the display from scratches. The holder slides easily into the existing slot on the back of the front seats and securely clicks into place. Integrated charging option with standard charging device connected to the 12V socket.

Vehicle must feature universal pre-installation for smart accessories (Code 866).

#### Coat hanger, style & travel equipment, with direct adapter.

The coat hanger – for crease-free clothes when you're on the move. It's easy to arrive looking smart: the sturdy coat hanger allows you to hang up items of clothing on board. Rounded ends protect the fabric. Easy to secure in place: fitted and removed on the rear of the front seats with a direct adapter. Please note: for safety reasons, the coat hanger must be removed if a passenger is travelling in the rear of the vehicle.

Vehicle must feature universal pre-installation for smart accessories (Code 866).
